

## Living situation

13	child lives with	<input type="checkbox"/>
14	other relatives live in this home	<input type="checkbox"/>
15	number of siblings	<input type="checkbox"/>
16	all siblings reside with child	<input type="checkbox"/>
17	child ever in state care	<input type="checkbox"/>

### risk factors

18	overcrowded	<input type="checkbox"/>
19	accommodation in need of improvement	<input type="checkbox"/>
20	frequent movement of school/neighbourhood	<input checked="" type="checkbox"/>
21	family new to area	<input type="checkbox"/>
22	family in temporary accommodation (eg bed & breakfast or hostel)	<input type="checkbox"/>
23	child homeless at any stage (with friends, squat, sleeping rough)	<input type="checkbox"/>
24	family socially isolated	<input type="checkbox"/>
25	family has money problems	<input type="checkbox"/>
26	family is dependent on benefits/state assistance	<input type="checkbox"/>
27	family experience/fear crime or other anti-social behaviour	<input type="checkbox"/>
28	family live in a poor neighbourhood to bring up children	<input type="checkbox"/>
29	family live in a hazardous environment	<input type="checkbox"/>
30	family lack socially perceived necessities	<input type="checkbox"/>

### potential protective factors

31	there is a place other than home where the child can stay	<input type="checkbox"/>
32	the child has always lived in one place	<input type="checkbox"/>
33	links have been maintained with the place where the child has lived	<input type="checkbox"/>
34	there are good social supports in the child's neighbourhood	<input checked="" type="checkbox"/>

## Family and social relationships

35	child's relationship with mother	2
36	child's relationship with father	1
37	child's relationship with siblings	1
38	child's relationship with other relatives	3

39	child recently ill-treated	<input checked="" type="checkbox"/>
40	ill-treatment to child by mother	1
41	ill-treatment to child by father	1
42	ill-treatment to child by sibling(s)	1
43	ill-treatment to child by other relative(s)	3
44	ill-treatment to child by non-relative(s)	0

### nature of ill-treatment to child

45	sexual	<input type="checkbox"/>
46	emotional	<input type="checkbox"/>
47	low warmth/high criticism	<input type="checkbox"/>
48	physical	<input checked="" type="checkbox"/>
49	neglect	<input type="checkbox"/>

### risk factors

50	family discord	<input checked="" type="checkbox"/>
51	principal carer overburdened by parenting	<input type="checkbox"/>
52	family breakdown/divorce	<input checked="" type="checkbox"/>
53	domestic violence	<input checked="" type="checkbox"/>

### potential protective factors

56	someone in the family loves the child	<input checked="" type="checkbox"/>
57	significant adult other than the parent cares about the child	<input checked="" type="checkbox"/>
58	members of the family have skills to deal with problems faced by the child	<input type="checkbox"/>
59	child has some understanding of the family's problems	<input type="checkbox"/>

## Social and anti-social behaviour

Child's relations with non-family		
61	peers	2
62	professionals	2

### risk factors child

63	aggressive behaviour at home	<input type="checkbox"/>
64	aggressive behaviour at school	<input type="checkbox"/>
65	aggressive behaviour in the community	<input type="checkbox"/>
66	violence at home	<input type="checkbox"/>
67	violence at school	<input type="checkbox"/>
68	violence in the community	<input type="checkbox"/>
69	behaviour problems at home	<input type="checkbox"/>
70	behaviour problems at school	<input checked="" type="checkbox"/>
71	behaviour problems in the community	<input checked="" type="checkbox"/>
72	evidence of anti-social behaviour	<input checked="" type="checkbox"/>
73	convicted/cautioned for serious crime	<input type="checkbox"/>
74	convicted/cautioned for minor crime	<input checked="" type="checkbox"/>
75	evidence of anti-social behaviour since the child's earliest years.	<input checked="" type="checkbox"/>
76	has run away from home	<input checked="" type="checkbox"/>
77	inappropriate sexual behaviour	<input type="checkbox"/>
78	poor social network	<input checked="" type="checkbox"/>

### risk factors adults

79	aggressive behaviour at home	<input checked="" type="checkbox"/>
80	aggressive behaviour in the community	<input checked="" type="checkbox"/>
81	violence at home	<input checked="" type="checkbox"/>
82	violence in the community	<input checked="" type="checkbox"/>
83	inappropriate sexual behaviour	<input type="checkbox"/>
84	previously in trouble with police	<input checked="" type="checkbox"/>
85	convicted of minor crime	<input checked="" type="checkbox"/>
86	convicted of serious crime	<input type="checkbox"/>

### potential protective factors child
